

Reading

Read, Write, Inc:

The children will be split into their reading groups based on their reading level. They will go over their set 2 and 3 sounds, green words and red words. Partner reading features in these sessions.

Fred's Teaching:

This group develops reading fluency and deepens their comprehension skills.

English

We will be learning about our key text, 'Old Bear' by Jane Hissey. The children will retell the story. The children will look closely at the problems faced by the characters in the story. They will think about the characters feelings at different stages in the story. Year One and Two will look at the writer's knowledge and illustrations from the text. Further along in the unit, the children will write a message from their own toy, stuck in the attic, asking their friends to rescue them.

Maths

We follow the mixed year 1 and 2 White Rose curriculum and this term will be learning about:

- Addition and subtraction
- Place value
- Money
- Multiplication or division

The children will also participate in daily mastering number fluency sessions.

Spring A: School Days

Topic

School Days

Our key questions will be:

- What was family life like in Victorian Britain?
- How do Victorian schools compare with school today?
- Why should we remember Samuel Wilderspin?
- What was our community like in the Victorian Times?

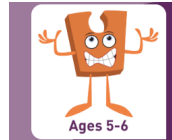

The children will also enjoy an enriching Victorian toy workshop experience led by Tiverton museum.

PSHE

The children will be covering the unit, 'Dreams and Goals'. They will look at the following:

- My Treasure Chest of Success
- Steps to goals
- Achieving together
- Stretchy learning
- Overcoming obstacles
- Celebrating my success

Art

We will be developing the skill of weaving looking at the artist Kandinsky.

Computing

In this unit, pupils will learn how to programme a robot using algorithms.

PE

The children will participate in a unit named 'Fitness'. They will learn:

- To explore a range of exercises to develop strength, agility, balance and co-ordination.
- They will learn how to run over a longer period of time.
- They will improve their stamina and general physical fitness.

Music

In music we will be learning how to 'invent a musical story'.

Science

The children will be learning about Plants with a focus on light and dark.

RE

We will be covering the key question, 'What do Christians believe God is like?' They will expand their knowledge of worldviews.

The children will explore the key vocabulary through watching videos, looking at pictures and artefacts.
